

Issue No. 1

Thursday 6 February 2020

**From the Principal  
Dear families,**

Welcome to Grant High School 2020! The year has started very productively, with many students already starting the (temporarily named) Build Program during the first two lessons yesterday. This program aims to cover all the learning schools are responsible for that do not fit easily into subject-specific learning. Hence, students will be looking at goal-setting; career development and pathways; many aspects of health and wellbeing; and their own protection in a variety of settings. We are deeply committed to ensuring that we build future-ready citizens in all aspects of their lives, and this program will help us make sure there is no stone unturned in our quest for all students achieving their first life choices when they leave us.

Many of our Year 12s were very successful in achieving their first life choices at the end of their Year 12 study in 2019. We congratulate Holly Baldock who achieved our highest ATAR of 97.85. A further 9 students also achieved ATARs in excess of 90: Georgia Monkley, Charlotte Foote, Annie Rasmussen, Abby Little, Brodie Jackson, Faith Monger, Jessica Stafford, Zac Mullan and Rachael Hamilton. We congratulate these students on their excellent academic success and wish them well for their very bright futures.

We also congratulate 2019 Grant High School co-Captain, Caitlin McMahon, on being announced the Young South Australian of the Year as part of this year's Australia Day honours. Caitlin was also named Mt Gambier's

Young Citizen of the Year for her outstanding volunteer work in a myriad of organisations. We are very proud of Caitlin, who contributed greatly to the fabric of Grant High School during her time here, particularly through the SRC and Performing Arts.

Many of our senior students gained apprenticeships over the holidays, too, and we are very proud of our careful strategies that increasingly enable vocationally-minded young people to enter the world of work chronologically early and complete their SACE. If you think this pathway might benefit your Year 10 or 11, please organize to have a chat with Meg Beck, VET Coordinator or your young person's Community Leader or Manager.

Our enrolments exceed 900 this year, with some year levels at capacity and we welcome 192 new Year 8s and about 15 new students in other years. We also welcome Samuel Blagg, Thomas Gibbs, Steph Bartlett, Erin Launer, Amy Czernich-Pearce to our teaching staff and we welcome back Justina Andrews. Mark Hennessy, Dave Vannini and Christina Mancuso join the ranks of our SSOs, while Josh Telford and Faith Monger are our Hub trainees. These are very welcome additions to an already fantastic staff and we wish them well while they are with us.

We look forward to seeing you all at various information evenings in the near future.

Kind regards

**Fleur Roachock,  
Principal**

## CITY BUS SERVICES

Dear Parent / Care Provider,

Please note that the School City Bus Service has a code of conduct for behaviour on our buses and would like to see all students abide by the rules for the safety of all concerned. We are not a free service so would appreciate students having the correct money when travelling to and from school.

Fare prices are **\$1.10 per trip**, or our student **multi trip ticket provides 10 trips for \$8.60 per ticket**. We also provide a **student concession pass, which offers 4 weeks of travel, for \$24.80**.

We hope you all have a happy 2019. Any queries please call Michael Suto or Jo Sykes on **87249978** during business hours.

## WELCOME TRAINEES

Please welcome our 2020 Teaching and Learning Trainees, **Faith Monger** and **Josh Telford**.

Faith and Josh will be based in the Hub and will be assisting in supervising and mentoring students, tutoring, assisting with Homework Club and administration tasks.

Please be aware the Hub opening hours are from 8.00am until 5.00pm

**Paula Foote**  
**Hub Manager**

## YEAR 12 RESULTS 2019

Grant High School is incredibly proud of its Stage 2 students who achieved some outstanding results in 2019. Holly Baldock is Dux of the school with an ATAR of 97.85. A further 9 students scored higher than 90—having undertaken a variety of subjects. Big thanks to our amazing staff who supported students in these achievements. For many of our students, the ATAR is not the main game in their studies. We congratulate those who have achieved their SACE and already moved into apprenticeships, traineeships and paid work. We pride ourselves on building future-ready citizens who can be successful in all walks of life—and none of them should ever feel defined by a number.

**2019 Dux: Holly Baldock**

## Attention Year 11 & 12 Students/Parents

### District Council of Grant Scholarship

Once again the District Council of Grant are offering an Academic Scholarship to students residing in the DC Grant Council area. This Scholarship is to assist and encourage students to attend to Year 12, and preferably onto University or further study. The Scholarship is offered to students who reside in the District Council of Grant area. Please see Paula Foote, in the Hub for an application form and criteria document. Applications are due to Paula Foote by Monday April 6 (Term 1 - Week 11).

Awaken  
The Hero

## Teen Workshops

### Activation Workshop:

Teens begin to understand that they are their own hero, they choose a hero type that best represents them and are then introduced to some of LifeChanger's Ambassadors and their hero types

### Health Workshop:

Through fun and interactive activities, this workshop highlights the importance of nutrition, movement, and recovery in maintaining good physical and emotional health

### Skills:

Our Skills workshop allows teens to focus on skills such as goal setting, problem solving, resilience, and gratitude, giving them a tool kit to help them through life's challenges

### Self:

Our Self workshop draws on key concepts around self awareness, developing strategies to support them positively impact their emotions and mental health

### Purpose:

What are you passionate about? This workshop allows teens time to reflect on their individual passions and how they could find more purpose in life

### Tribe:

Our last workshop focuses on their support, their tribe, and how they can positively impact their relationships. It's a celebration and a time to reflect on how far they've come!

GRANT HIGH SCHOOL

Though the series of workshops LifeChanger Foundation will be taking photographs and / or videos of participants. We use these photos for evaluation purposes and for use in marketing collateral. If you do not wish for your child's image to be used, please ensure you let your school know

## SCHOOL CARD

# APPLYING FOR A SCHOOL CARD

## All types of School Card applications are now online.

You can access the online forms from any device that gets internet, including mobile devices, such as tablets and smart phones, as well as laptops and computers.

Applying online is easy! Simply follow the steps below.

- STEP 1** Visit [sa.gov.au/education/schoolcard](http://sa.gov.au/education/schoolcard)
- STEP 2** Select the type of School Card you would like to apply for (for example 'Type A') and follow the prompts.
- STEP 3** Complete all mandatory fields.  
*Please note: you cannot submit your application unless all mandatory fields are complete.*
- STEP 4** Once you have completed a page click on the 'NEXT' button.
- STEP 5** Once you have filled out all pages click the 'SUBMIT' button.  
*Please note: if you exit the form without clicking 'SUBMIT' your details will be lost.*

You can save the form, and return to complete it at another time, by clicking on the 'SAVE' button.

# ANNUAL GENERAL MEETING

## GRANT HIGH SCHOOL

*Building future ready citizens*

## ANNUAL GENERAL MEETING

**Monday 2nd March 2020**

Parents and caregivers are cordially invited to the Grant High School Annual General Meeting. The meeting will be held in the staff room, commencing 7:30 pm on Monday 2<sup>nd</sup> March 2020.

We hope all parents and caregivers take the opportunity to show their support by attending this important meeting. Please don't think that you have to take on a role on Governing Council just because you attend the meeting. We understand many parents would prefer to support the school in other ways.

The AGM provides a chance for parents to understand more about how Grant High School operates, and how parents play an important part in the overall effectiveness of Grant High School. At the AGM you will have the chance to hear the following reports:

- Annual Report for Grant High School
- Governing Council
- Canteen
- Finance

This will not be a long meeting; the formal part of the night should not take more than about 45 minutes.

Governing Council provides a means of: involving parents in the school; determining the educational needs of the local community; and overseeing aspects of managing the school. This means Governing Council: set policy and the directions for the school; determine how to use financial resources; and undertake planning to develop the best opportunities for our students.

Whether you have previously been involved in school committees or not, please come along to support the school.

Nominations for Governing Council can be made on the tear off reply below.

*Fleur Roachock*

Fleur Roachock  
PRINCIPAL

-----  
Please complete this nomination form and return Paula Foote, Principal's Secretary before Monday 2<sup>nd</sup> March 2020.

I have spoken to ..... and wish to nominate them for Grant High School Governing Council.

I wish to nominate myself: .....

# YEAR 10 PIP—SHARK TANK

This year, all Year 10 students are participating in Shark Tank. The Shark Tank e-schools program involves the same concept as the hit TV show, where the end goal involves students presenting a business idea to solve an existing problem. Students are essentially involved in the "doing" of entrepreneurship and innovation. Students will go through a process which allows them to be creative and original in their thinking and ideas. Essentially, in small teams, students will be creating a business idea in response to an existing 'real-world' problem. Students will work through a thinking process that allows them to develop and construct a prototype of their solution. Finally, students will present a sales pitch of their business idea at the end of the program. Upon completion, students will receive 10 SACE credits, in addition to, credits towards a degree of choice at the University of Adelaide. We are very much looking forward to the year and where our 'Shark Tank-ers' will take us in solving the problems of today!

RESPECT

TRUST

COMMITMENT

## NAPLAN Online – privacy collection notice

### Moving to NAPLAN Online in 2020 or 2021

The National Assessment Program – Literacy and Numeracy (NAPLAN) takes place each year for students in Years 3, 5, 7 and 9 and has been an everyday part of the school calendar since 2008.

NAPLAN helps parents, carers and educators to see if children are meeting important numeracy and literacy standards.

The move to NAPLAN Online started in 2018. Moving online means NAPLAN is transitioning from paper-based tests to computer-based assessments.

Online testing brings many benefits and opportunities including providing better assessment, more precise results and faster turnaround of information.

More information on NAPLAN Online is available at [www.nap.edu.au/naplan/parent-carer-support/](http://www.nap.edu.au/naplan/parent-carer-support/).

### Readiness testing activities

A critical step in preparing for NAPLAN online is schools' participation in readiness testing activities.

The purpose of readiness testing activities is to ensure your child is familiar with their device and the online test environment, as well as to test school and national infrastructure systems and processes.

Readiness testing is not another NAPLAN and will not formally assess students who participate in the test. Any reports generated will be used for testing purposes only.

Readiness testing activities may involve students who are participating in NAPLAN in 2020 or who will participate in 2021.

### Collection of personal information

Schools are required by law to collect personal information about you and your child, irrespective of whether your child participates in NAPLAN testing.

The purpose of this notice is to advise parents and carers of how your child's personal information will be used for NAPLAN Online in 2020, and as part of readiness activities scheduled at various times leading up to the test in May 2020 and May 2021.

## Collection of personal information

For every student participating in readiness activities and online testing, the following personal information will be uploaded by the Department for Education, as the Test Administration Authority (TAA), to the NAPLAN Online Assessment Platform ('assessment platform'):

Student name

Local school student identifier

School name

Gender

Date of birth

Language background other than English

Aboriginal or Torres Strait Islander status

Parents' occupation, education and language background.

Students participating in NAPLAN Online may also have personal information collected regarding disability adjustments to enable them to access and participate in NAPLAN testing.

The personal information for students who are exempted, absent or withdrawn from NAPLAN online testing is collected and used for reporting purposes.

The assessment platform is managed by Education Services Australia (ESA). ESA is a not-for-profit company jointly owned by the Australian education ministers. ESA is subject to rigorous information privacy and data security obligations under its contract with the Department for Education and is only permitted access to student personal information for the purposes of managing the assessment platform.

Security and privacy are key requirements for the delivery of national testing. The assessment platform has been designed to comply with relevant national data security policies and guidelines, as well as data encryption standards.

ESA only has access to personal information from a relevant school, TAA or the Australian schools list for the primary purpose of fulfilling ESA's role in supporting the operation of the assessment platform.

ESA's privacy policy can be found at [www.esa.edu.au/contact-us/privacy](http://www.esa.edu.au/contact-us/privacy).

## Access and correction

To request access or correction to personal information collected for NAPLAN and held by schools please contact your school principal in the first instance.

Any concerns about a breach of privacy by a school should be directed in writing to the school principal.

## More information

Speak with your school principal in the first instance if you have any questions about this information.
